

Silver Linings

Before, During & After Cancer Fair

Booth Application

Date: Saturday, October 19th, 2019
Time: 9-5 (Set up at 8)
Location: Widdifield Secondary School
320 Ski Club Rd, North Bay ON P1B 7R2
Booth Fee: \$25
Website: silverliningsnb.ca
email: info@silverliningsnb.ca

Thank you for applying to participate in Silver Linings Cancer Fair! The fair was put together to help people find each other and the resources in our community. We want to be big enough to help but not so big people can't find what they need at the fair. We aim to have booths that are very relevant to cancer resources in our community. **Booths will be accepted based on relevance to the topic and space.**

There will be a booth fee of \$25 to participate this year. We will put the money towards advertising and other upfront costs of the fair. We don't want to make it difficult for any not for profit group to participate. So, if it is going to be challenging then please contact us to discuss waiving the fee. There will be no refunds in case of cancellation. These will be considered a donation to the fair. **No payments are due up front. We will contact you as booths are accepted.**

We would ask booths to commit to being at the fair from the beginning to the end of the stated times. Last year, people packed up a bit early as things wound down and some late visitors missed out.

Once approved, the booth will be officially registered only once;

- Booth title
- Description
- Payment \$25.00
- Optional - logo 3x3 Vector image (eps preferred)

We will have more space for booths than last year but we are also adding more. So make sure you get the application in and complete as soon as possible. Application on page 2 and can be filled out electronically or email/fax.

We look forward to seeing everyone! Thanks for giving back to our community.

Objectives:

Gathering to start establishing a community of resources in North Bay. Information and resources for preventing, getting through and living after cancer

Raise money to make a greater North Bay regional specific website of resources for cancer patients and those wishing to help.

Thank you for agreeing to host a booth. We are looking forward to having you at the fair.

Your booth number is currently: TBA

Table size: 8 ft X 2.5 ft

You will need a table cover/cloth of some kind.

There are walls and windows behind the table but it may not be appropriate for hanging information. I would count on all displays having to be on the table.

Set up: We are hoping to do the set up the night before (17:00-20:00). However, if you are comfortable doing this the morning before the show then we'll be opening the doors at 7:00.

Booth Description: Please write up a booth description that will encourage people to visit your booth! We will post it on the website. If you want you can include a photo. Send this to Nicky's email. nicky@ahacommunications.ca

Web site: silverliningsnb.ca

We will soon have the site map and booth order up.
